

*Celebrating the Uplands 85<sup>th</sup> Birthday weekend on  
16 – 17 August with splashes of colour and festive spirits*

Below: 1928 cupcakes were made in Uplands Preparatory School colours and laid out as the school badge before every prep pupil was able to tuck in and have a cupcake for themselves. Plenty of sticky green faces were seen at the pre-primary Wooden School thereafter.

Great enthusiasm and effort by all went into ensuring the fashion of the 1920s was visible on the birthday weekend

More colour and creativity abounded at Uplands in celebration of their 85 year old school
